

KARTANON KELLARI & PUB

NEW! Kartanon Kellari & Pub - The Cellar Restaurant & Pub - a new atmospheric restaurant and a British style pub in the basement of the Manor House

The Cellar Pub is a traditional British style living room and suits well to Haikko Manor's historic style. The intimate atmosphere invites both individual and conference guests from near and far.

The Cellar restaurant operates mainly as banqueting venue for private events. The rustic tile wall creates cosy ambience and the Cellar Restaurant suits perfectly for family events, wedding receptions, anniversaries and relaxed evening events. The Cellar Restaurant is connected to the Cellar Pub by a glass wall that can be opened. This enables the use of the Pub's dance floor. The Cellar has an open kitchen, that provides delicious buffet choices according to Haikko Manor's Scandinavian cuisine.
