

OUR EFFORTS TO MINIMIZE COVID-19 RISK DURING MEETINGS AND EVENTS

We will continue organizing events and meetings in spite of the current coronavirus situation. We will handle your staying and events with utmost care.

HAIKKO MANOR'S INSTRUCTIONS FOR INDIVIDUAL, CORPORATE, RECREATION AND BANQUET GUESTS

What efforts are being made in regard to COVID-19 risk? Your safety is mostly important for us.

Please read the list of the precautions taken and recommendations for our guests (updated 1.10.2021):

- Our staff monitor and update our evaluation of the situation actively. We are prepared to amend our instructions and procedures accordingly.
- We have intensified cleaning and disinfection procedures in all our premises
- The use of the face mask regarding of our staff is optional, but please indicate when booking your event or making a table reservation, if you would like the staff to use masks.
- We have made additional hand sanitizers available in our public areas
- You can order for your group served meals instead of buffets. [Read other guidelines](#) regarding our restaurants.
- Private dining rooms are available to secure your privacy
- Large conference premises provide spacious meeting rooms and privacy
- We have increased the space between meeting seats and restaurant tables.
- Meeting and banquet house [Villa Haikko](#) by the sea can be booked for your private use
- Possibility to book [private saunas](#) in a separate buildings by the sea
- Individual, private treatments rooms in the Spa
- Private spa -room for small groups
- Entrance to spa area only by pre-booking (reception@haikko.fi), while we are limiting the number of customers on pool and saunas. [Check our new guidelines to spa visitors](#).
- Large outdoor area in the Haikko Park by the sea suits well for yoga, walks and outdoor activities

What can you do as guest:

- Please do not participate if you are sick or have any symptoms
- You are free to use a face mask in the hotel's public areas
- Please no hand shakes, hugs and air kisses
- Please practise efficient hand hygiene especially in restaurants, spa and gym areas
- Cough and sneeze into your sleeve; if possible use a paper tissue
- If you can, please use the toilet located in your hotel room

THL (Finnish Institute for Health and Welfare) and the Finnish health authorities update their instructions constantly, please follow the latest updates here:
