

WELLBEING AT WORK

How fit and wellbeing is your working community?

Motivated and wellbeing staff is the most important resource in any business and company. Haikko Manor Spa and its staff can help your working community to find keys to everyday fitness. Choose one of our Wellbeing at Work or Keep Fit at Work -programs; combine exercises with relaxation, information, action and even culinary experiences to the best suitable program for your group. We provide flexible wellbeing services for your staff and business.
