

One of the loveliest ways of spending a summer day is to take a relaxed cruise in the archipelago.

You can experience a nostalgic steam ship feeling onboard [m/s J. L. Runeberg](#) or take a Sunday Cruise to Haikko Manor from Porvoo by [m/s Queen](#). The ship cruises between Helsinki and Porvoo and stops by request at Haikko bay, too. [Please prebook your cruise.](#)

Our guests' private boats are also welcome to Haikko.
